

# COVID-19 Community Report

Date: Wednesday, June 9, 2021

EOC Activation Day 460

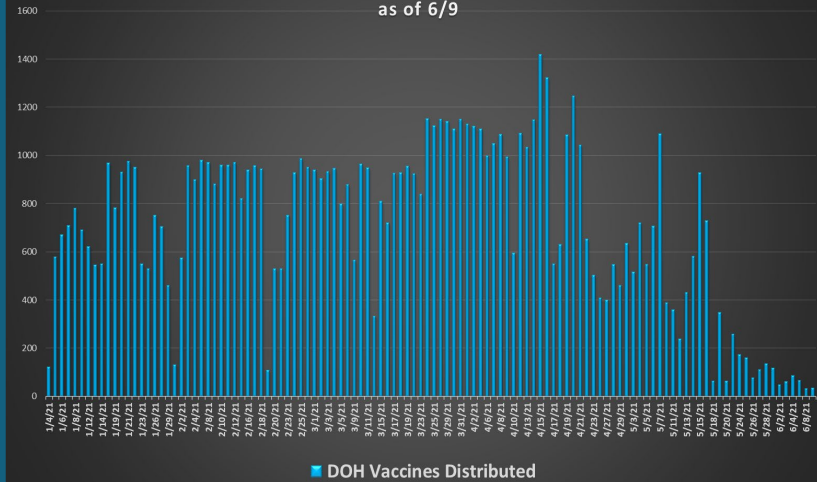

Time: 5:50 PM # 20-106

## Vaccine Operation Highlights

- Florida Department of Health - Brevard, and the partners they support, have provided 114,272 vaccines since January 4, 2021
- The Florida Department of Health has made adjustments to the COVID-19 [dashboard](#) and switched to weekly reports.
- Per the Florida Department of Health, the total number of residents vaccinated in Brevard County is 278,647 (as of 6/3)
  - 52% of those 12 plus
- BCFR's vaccine outreach program Operation:
  - Total vaccinated: 1,105
    - 1st dose: 655
    - 2nd dose: 450
  - This operation is complete as of 6/4
  - Anyone who still needs a homebound vaccine can utilize the State's homebound program ([HomeboundVaccine@em.myflorida.com](mailto:HomeboundVaccine@em.myflorida.com))
- Emergency Management, in collaboration with Parks and Recreation, Florida Division of Emergency Management and community partners brought the Mobile Vaccine Van to Brevard County
  - Total shots for the Mobile Vaccine Van is: 251
  - Detailed vaccination numbers for this event are on page 3
- DOH has partnered with Library Services, Emergency Management and Health Heroes to conduct a Pfizer vaccine operation with an emphasis on increasing vaccine availability for children 12-17, but is open to anyone 12+ (dates/location on page 4)
- DOH is coordinating with the local business community to establish vaccine outreach missions
  - [A current list of locations and operating hours for the month of June is available on their website.](#)

COVID-19 Vaccines Distributed by DOH Brevard at Viera as of 6/9

# Brevard County Updates

- Brevard County Government has a limited amount of funds to assist families who have lost a loved one due to Coronavirus. The [application for the program](#) is available at the Community Action Agency (Dr. Joe Lee Smith Community Center, 415 Stone Street, Cocoa, FL 32922), or [Brevard County's Housing and Human Services website](#).
  - Eligibility requirements include:
    - Cause of death on the death certificate must be directly or indirectly related to Coronavirus (COVID-19)
      - Example of indirect – heart attack (main) exacerbated by coronavirus
    - Brevard resident and household income below 150% of poverty (\$39,300 for a family of 4)
  - The [Emergency Rental Assistance Program](#) provides financial assistance and housing stability services for those impacted by COVID-19.
    - Eligibility requirements include:
      - Applicant is a resident of Brevard County and is below 80% of Area Median Income.
      - The applicant must sign all required documents or their application will be rejected/denied.
      - Documentation of all income from the entire Household as reported on the Household Income Section of the application (include 2 months of bank statements, paystubs, etc., or a 2020 tax return (IRS Form 1040)).
      - All members of a household must be accounted for in the application.
      - For applications filled out by hand, please make sure that the writing is clear and legible
    - Program statistics as of 5/21/21:
      - 848 applications received since 2/12/21
        - 601 (71%) from municipalities
        - 245 (29%) from County (unincorporated)

## State and National Updates

- All state COVID-19 testing sites have transition to local providers, such as primary care offices, retail, and pharmacies
  - Florida Division of Emergency Management can provide a [full list of COVID-19 testing sites near your location](#)
- [Subscribe to get CDC's COVID Data Tracker Weekly Review](#) sent to your inbox every Friday
- Per the CDC, as of June 9, [more than 303 million doses of vaccines](#) have been administered in the United States and 61.2% of the entire United States population over 12 has had at least one dose of a COVID vaccine
- CDC recommends [pregnant people](#) and those breastfeeding receive the COVID-19 vaccine as they are more likely to get severely ill with COVID-19 compared with non-pregnant people
- The current 7-day moving average of daily new cases (14,349) [decreased 35.2% compared with the previous 7-day moving average](#) (22,139). Compared with the highest peak on January 9, 2021 (251,374), [the current 7-day average decreased 94.3%](#).
- The [CDC reports that 140.4 million people have been fully vaccinated](#) as of June 9. This refers to the number of people who have received the second dose in a two-dose COVID-19 vaccine series, or one dose of the single-shot Johnson and Johnson's Janssen COVID-19 vaccine.
- The CDC issued [guidance for fully vaccinated individuals](#) within the United States. Per the guidance, they can now resume activities that were done prior to the pandemic without wearing a mask or social distancing; except where required by federal, state, local, tribal, or territorial laws, workplace guidance, rules, and regulations
